 Kennel training Not good with children or other pets

- ✓ *I agree that I will provide the best care possible to the foster pets put in my care.*
- ✓ *All foster animals have been vetted before being placed with me unless otherwise noted. I will contact SVFA with any concerns or questions I have regarding the health of the animal.*
- ✓ *I understand that SVFA has taken reasonable care to screen animals for placement, but makes no guarantee relating to the animals health, behavior, or actions. I am aware of some but not all of the more common diseases associated with animals including rabies. Rabies is included because of its severity and because SVFA does not know what diseases the animals may have been exposed to prior to becoming part of the SVFA program.*
- ✓ *I also understand that SVFA will be monitoring the placement of the animal and has the right to remove the animal at its discretion.*
- ✓ *I understand that everything my foster pet may need, including food, dishes, toys, vet care and follow up care, and other necessities will be provided. Anything I provide will be considered a donation to SVFA which is tax deductible.*
- ✓ *I also agree that if I am not able to provide further care for the foster pet, there is an emergency, or I have a question regarding care, I will contact SVFA immediately.*
- ✓ *Since most SVFA animals come from unknown backgrounds, no guarantee can be made concerning their health or temperament. I release SVFA from any responsibility regarding the health or temperament of the animals placed in my foster care.*
